

SHREE KRISHNA JANMASHTAMI *Celebration Of Divine Wisdom*

The birth of Shree Krishna is very auspicious for the humanity. He always walked on the path of perfection, showed us the right path for our life journey. He gave us the right way of living, in the form

of conversation with Arjuna who was in a confused state like common man and this conversation gave a way to the holy book of **Srimad Bagavad Gita** which has a solution for all humanly problems. In DAV we celebrate his birth with a great zeal

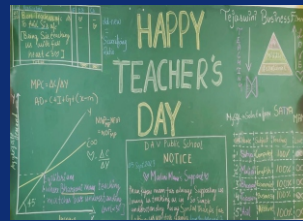

decorating all around and conduct various joyful moments for children. Our little toddlers dressed up themselves as **Radha and Krishna** which reminded the past times of lord himself. Our senior grade students formed a human pyramid to break the **Dahi Handi** hanging at the height. This tradition of breaking pot imbibes teamwork, courage, and determination, as participants work together to reach the top. Breaking the pot symbolizes breaking societal barriers and limitations. Students were briefed about the practical knowledge of **Srimad Bagavad Gita** which is very much relevant even in today's modern world.

TEACHER'S DAY *The Spine Of Our Society*

Teacher's day is celebrated every year on September 5th to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan former President of India, scholar, Philosopher and Bharath Ratna. This day reminds the role of teacher in nation building by guiding and educating the brightest minds of our country. This year on teacher's day special programmes were organised by students for teachers in the form of games, competitions and cultural programmes. Students **decorated Classroom** with enthusiasm and organised **Food Fest** for teachers. **We are thankful to all the students of DAV who made us feel special as teachers.**

NATIONAL SPORTS DAY *Spirit Of Sportsmanship*

India celebrates National Sports Day on 29th August to commemorate the birth anniversary of **Hockey Legend, Major Dhyan Chand**. The day is also dedicated to the nations' sports heroes and champions for their contribution in making India proud with their consistent medals and efforts. DAV ensures that students know the importance of sports in their life and we conducted various sports activities like **volley ball, throw ball, basketball and running race** for students. Here at DAV we encourage students to play sports along with their academics as this regular practice of Sports raises awareness in students about **discipline, perseverance, sportsmanship, teamwork** etc.

LANGUAGE DAY – *The Vehicle of Ideas*

Language is an important part of any culture and it is one of the ways that connects people. Expression of language plays its vital role in an educational setup. Here at DAV we celebrated **Sanskrit Week** and **Hindi Divas** where students got opportunity to present their talent in the assembly in the form of **skit, song, dance, conversation** etc., This way we educate students to appreciate all languages.

COLORFUL ENERGY OF TODDLERS

Colour is the place where our brain and the universe meet. Colour and emotions are closely linked and tiny ones really feel the joy in this day of colours. So DAV here

introduced them to the warm colour on **Red Day** - this day was with heightened emotions which brought joy, playfulness and happiness in our little ones. Next was the day for cool colour **Green Day**. This day was relaxing and there was feel of refreshment leading to effective and everlasting learning through planting a sapling and appreciating Nature.

PRINCIPAL'S PERSPECTIVE

Welcome to the first Edition of our Newsletter 2023-24.

Schooling is our first contact with the world, a period of joy, healthy competition, fearing, adjustment, sharing and love. It is not the wide open spaces, classrooms the library or the large fields that make the school. It is the heart of the students, parents and teachers that creates true institution.

We aim to provide a transformative learning experience to our students which empowers them to contribute to Nation 's progress and make their life meaningful.

I am confident that dedication of our passionate team of teachers will be catalyst in this unique educational process.

We are thankful to parents for placing trust in us and for their involvement in this journey in moulding young minds into ideal citizens of our country.

With warm wishes and God's blessings

TEACHER TWILIGHT SESSIONS

The Nation's Assest Forever

Academic year 2023-24 started off with a great welcome of the teachers. This day Dr. Siddhartha A Bhargava Great scholar, member of NCF 2023 committee and a Governing Council member of DAV oriented teachers about the vision and

mission of DAV and also briefed about Om Shanthidama Trust the Mother Organization of DAV. The professional phase of the Teacher's orientation was on deep root analysis on NEP by **Dr. Siddhartha A Bhargava**. Second phase began with an amazing workshop

conducted by **AHEAD TEAM – Journey from Teacher to Guru** which instilled a creative way of classroom engagement and making our presence and learning effective with students. Finally, we had a programme that built a great support network among new staff cohort.

ENVIRONMENT DAY AND OCEAN DAY

Our Inextricable Relation With Nature Family

DAV believes in collective well-being and this thought made us to celebrate the United Nation events like World Environment Day and World Oceans Day to encourage sustainability by creating an awareness about the world around us and how to save it from further destruction before it is late.

Students were briefed about the afforestation, minimizing the usage of plastic and things made by wood. Our students presented a skit depicting the coexistence of human being and nature. Junior students planted saplings in the school premises.

INTERNATIONAL YOGA DAY

India's Best Gift To The World

Yoga is an invaluable gift of ancient India. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. We at DAV ensure that these are imbibed in our daily routine. It helps us stay healthy by bringing more awareness towards our mind and body. At DAV we try to inculcate the universal human values in students. On this occasion students were explained in detail about the ASHTANGA YOGA – the eight limbs of yoga. Generally, the term Yoga is popular for – A form of physical exercises, whereas the yogasana is just one limb among the eight limbs of the Yoga. If we practice all the eight limbs of yoga in our life, it brings completeness to our life and society as a whole.

WORLD MUSIC DAY - Music That Unifies Communities And Individuals

World Music Day originated in France which advocates the transformative power of music that can help bring people together. The event celebrated at school was a great success in which students performed different kinds of music and presented brief life stories by dressing up themselves as the legends of ancient Indian

Musicians. Students sang various songs in different languages and showed that music removes barriers.

STUDENT COUNCIL ELECTION - Young Leaders Taking The Lead

Being in Student Council is one of the important parts in student's life, wherein it plays a vital role in developing skills

such as confidence, communication, interpersonal and public speaking skills. Senior 12th grade students conducted interviews for the 9th and 10th students contesting for election and it was a great opportunity for students to show their passion for the school and their role as a leader. Contestants contesting as School leader, sports leader, discipline leader presented their symbol and gave a speech with regard to their vision in the school assembly. ACADEMICS

Excellence In Learning Process

Education is the key for successful life therefore we DAVians believes in quality education and provide education which keeps them connected to their tradition and helps them to grow as global citizen. In addition to academics we also provide **Vedic Maths, Abacus, Think Tac – the hands on learning, Lab activities** – for better understanding of concepts, E-learning- for global exposure and other various activities related to the content learning. In this academic process we ensure students develop the analytical skill, logical reasoning and critical thinking.

CO CURRICULAR ACTIVITIES

Transcend Beyond Academics

Co-curricular activities are the most important part in student's life. DAV initiates many types of **CCA activities like colouring, pick and act, handwriting, storytelling, debate, enact an advertisement, quiz, different types of art, memory game, mock parliament and many more**. CCA which connects to the path of spiritual learning are **shloka chanting, bagavad gita, bhajan, devotional song, storytelling** etc which gives way for students to know their inner strength and motivates them giving confidence about their unique talent. DAV has created a history in many student's life by making them understand their inborn strength. At DAV we believe that identifying and encouraging each individual's strength, forms the foundation for their self-confidence and success in their future endeavours. Co-curricular activity is one such effort by our DAV school.

INDEPENDENCE DAY

National Festival - A Day To Honour Our Heroes

Independence Day is celebrated on 15th August every year and it is one such occasion that has always been a special moment in DAV. This year our Chief Guest **Brigadier Pradeep M Ahluwalia** who hoisted the tri colour and inspired students with his powerful speech.

Mrs. Sadhana Jawali – Chairperson of DAV Public School graced the occasion. Presence of parents, enthusiasm of students and dedication of teachers made

this programme a great success. We celebrated this day with various activities like flag hoisting. Skit and dance - which depicted our independence was not an easy one and that which reminds the sacrifices, courage and unwavering determination of the countless freedom fighters who fought for the country to free it from the shackles of Colonial rule. This day exclusively reminds us to be more responsible. This struggle should never be forgotten and it has to be passed on to our next generation. These celebrations naturally nurture the spirit of patriotism in young minds.
